- 11.4 **Injury Leave of Absence-** A member who incurs an injury which is covered under the Connecticut Workers' Compensation Act and which occurs while employed by the Town of Weston as a Firefighter or as a Fire-Police member shall be entitled to retain the membership status the member held immediately prior to the injury until medically cleared to return to duty. Although Fire Rescue will continue to classify such a member as an Active Firefighter or Fire-Police member in Good Standing while on leave, this notwithstanding, the member must still qualify for health insurance and tax abatement benefits consistent with the established protocol between WVFD and the Town of Weston, CT unless otherwise provided for.

**Article 13: Discipline, Suspension, Discharge,
Resignation and Loss of Good Standing**

- 13.1 **Discipline-** Day to day disciplinary matters shall be administered by the chain of command. Fire Rescue shall incorporate "progressive discipline" as part of its normal practice, however, it reserves the right to depart from this practice when circumstances warrant. Progressive discipline includes but is not limited to:
1. documented verbal warning,
 2. written warning,
 3. suspension or
 4. termination

Matters which may give rise to discipline include, but are not limited to, negligence, misconduct, insubordination, conduct unbecoming a member, violation of WVFD bylaws or standard operating guidelines, disclosure of confidential WVFD information or misuse of WVFD equipment.

Disciplinary matters shall be handled by the Disciplinary Committee. The committee shall be made up of both Captains and an elected Active Firefighter in Good Standing who meets the criteria required to serve in such capacity. In the event a member of the Disciplinary Committee must recuse himself/herself from serving or is otherwise unavailable to participate within ten days from the date of the incident(s) giving rise to the discipline, the President of Fire Rescue shall appoint a member from Fire Rescue who is in Good Standing to serve on the Disciplinary Committee on an interim, ad hoc basis. All disciplinary matters not resolved through the chain of command shall be referred to this committee.

- 13.2 In addition, any member who feels aggrieved by the conduct or actions of any other member may file a written grievance and present it to the Disciplinary Committee within ten days of an occurrence giving rise to the grievance. The basis for filing a grievance should encompass the conduct referenced in this article.

Within thirty days of the written submission of a grievance to the Disciplinary Committee, a written response shall be issued, considering the extent to which, if at all, disciplinary action may be warranted. An aggrieved member not satisfied with the determination of the Disciplinary Committee shall thereafter have the right to appeal this determination to the Fire Rescue Executive Committee whose decision on the matter shall be final and binding. The Executive Committee determination shall be by majority vote; however a two thirds vote shall be required to terminate a member.
